cut side off for strap

cut side off for strap

SAFETY TIPS:
Avoid using staples.
For little Menchies,
always supervise the
use of scissors!

1. Cut out Chip's face along the dotted lines, use the edges of the paper for straps.
2. Ask a team member for tape and tape both paper straps to the back of Chip's face.
3. Put on your mask, take a photo, then share with us on social media [@mymenchies](https://www.instagram.com/mymenchies)
